**Re: Notice of Ex Parte Presentation, WT Docket No. 02-55**

Dear Ms. Dortch:

On April 7, 2004, John T. Scott and Steven Zipperstein of Verizon Wireless, and I of this firm, met with General Counsel John A. Rogovin, Linda I. Kinney and Austin C. Schlick of the General Counsel's office, and Brian Tramont and Sheryl J. Wilkerson of Chairman Michael K. Powell's office, to discuss the above-referenced docket. As reflected in the original ex parte notice filed regarding this meeting, the focus of the meeting was the Commission's legal authority to order the payment of relocation costs and the Commission's lack of authority to award licenses outside of the Section 309(j) competitive bidding process.

During the meeting, Verizon Wireless also mentioned that the original Nextel proposal requested spectrum in the 2.1 GHz band instead of spectrum in the 1.9 GHz band. The attendees noted that there does not appear to be any explanation for this change in the record.

In addition, the attendees discussed the application of Section 1.110 of the Commission's rules, 47 C.F.R. § 1.110, to the grant of a license modification.

Sincerely,

/s/

R. Michael Senkowski
